Dear Judge Halpern:

I represent plaintiff in the above-referenced action.

Yesterday, I received a letter from Susan Chana Lask, the attorney for Rena Listokin, who is plaintiff's former wife and who is mentioned throughout the complaint, advising me that I omitted redacting the children's dates of birth. Ms. Lask also objected to my filing part of the Listokin Separation Agreement as an exhibit to the complaint, alleged that certain statements in the complaint defamed the children, and suggested that I am exposed to a libel action.

While I do not agree with most of what Ms. Lask stated in her letter, I would prefer to focus on the litigation itself. Therefore, I request that Your Honor seal the complaint (doc. 1). I am not enclosing Ms. Lask's letter because it too would need to be sealed but I can email it to the court upon request. I have consulted with defendants' counsel, Bret Scher, and he does not object to my application. I have also advised Ms. Lask about my intention to file this request.

Respectfully submitted,
